

## Great American Smokeout®

**B**ecause I understand  
the danger of smoking to my health;

**B**ecause I believe that smoking  
is a disgusting habit that makes you stink;

**B**ecause I don't want to be prey  
to an industry that makes billions of dollars  
every year by getting young people  
to use tobacco; and

**B**ecause it's just not cool;

I, \_\_\_\_\_, do hereby pledge  
that I will try to lead a smoke-free life,

and I pledge not to use tobacco products  
during the American Cancer Society Great American Smokeout.
